

## ***Continuous Professional Development Programme***

For  
***Investment Advisors***

Conducted by  
**The Financial Services Academy**  
*The education and training arm of the*

## **Securities and Exchange Commission of Sri Lanka**

---

### ***Programme Objectives***

*Continuous Professional Development (CPD) programmes enable the existing Investment Advisors (IA) in the industry to renew their license annually. CPD programmes are structured with the intention of updating IAs with latest developments in the Sri Lankan capital market as well as in the region. The FSA will time to time change the subject matter according to the need and the requirement of the industry.*
